

**Consulate General of Pakistan
Toronto**

The Consulate General of Pakistan has received numerous queries regarding the status of visa/NICOP and MRP facilitation centers operating in the GTA.

2. It is clarified that the Consulate General of Pakistan does not have any affiliation, whatsoever, with any facilitator/facilitation center operating in the GTA.

3. In order to facilitate the applicants, the Government of Pakistan has shifted following facilities to online processing:

- a. Visas (can be processed online only);
- b. NICOP (can be processed online only); and
- c. Machine Readable Passports (can be processed online as well at the Consulate General).

4. The fee structure for various services is available at website of the Consulate. In order to save money and time, the Consulate requests the community to apply directly for consular services as per guidelines and links available at www.pakmission.ca.
