

## **PRESS RELEASE**

### **Launch of New Interactive Website of Board of Investment**

The Board of Investment, Government of Pakistan, has launched the new state of the art website ([www.invest.gov.pk](http://www.invest.gov.pk)) for promotion of immense untapped potential and investment opportunities by highlighting the investor friendly policies in different sectors as well as the incentives offered by the Government in the Special Economic Zone.

The website also encompasses E-Services for the investors by providing the services 24x7x365 through which the Business Community can apply for Work Visa online without any hassle and physical reach out to Board of Investment as the mechanism of establishment of Branch/Liaison Office is being automated.
